If you're trying to discreetly say these don't suit me, then so be it.

I sense nothing but malice...

NAOTO-SAMA.

ARE YOU FAMILIAR WITH THE SAYING "CLOTHES MAKE THE MAN"?

NAOTO MIURA
A MACHINERY-LOVING HIGH SCHOOL STUDENT WHO LIVES IN THE KYOTO WARD. CURRENTLY HOMELESS.

クロックワーク・プラネット 1

I'm a short guy with an un-appealing face...

EVEN IF IT'S JUST YOUR APPEAR-ANCE,

YOU HAVE MADE REMARKABLE PROGRESS,

AND THERE'S MORE!

BUT...

IT'S LIKE I'M ON A DATE WITH A GIRL!

SHE'S IMPOSSIBLY CUUUUUUUTE!

RYUZU YOURSLAVE
A MYSTERIOUS HIGH-CLASS AUTOMATA THAT NAOTO REPAIRED.

FEELING SUPERIOR!

Ehehe~

Ahaha!

Must be nice...

ドカロ

WE HAVE NONE.

BY THE WAY, RYUZU, AFTER GOING TO THE BARBER AND REPLACING MY CLOTHES, HOW MUCH MONEY DO WE...

I HAVE A MEANS BY WHICH TO INCREASE OUR MEAGER SAVINGS.

WORRY NOT.

What do you mean by "a means" ?!

Seriously ?!

OF COURSE.

It's something that will make the police pursue us, isn't it?!

WITH THIS, OUR FINANCIAL PROBLEMS HAVE BEEN SOLVED.

I PREPARED ACCOMMODATION FOR US RIGHT AWAY.

PLEASE ENJOY A LUXURIOUS LIFESTYLE FROM NOW ON.

CENTRAL HOTEL
セントラル ホテル

INSIDE THE CORE TOWER

We really don't have enough time.

Even so, whether or not we can attempt to fix it...

At present, we are doing it via brute force.

We've confined the occurrences of the problem to 35,034 pathways.

The problem is that the abnormality is somewhere on Level 24.

AREN'T WE OF THE GUILD THE ONLY ONES WHO CAN SAVE THIS CITY?!

MARIE BELL BREGUIET
FIRST CLASS CLOCKMAKER
MAIDEN OF THE MEISTER GUILD.

WHAT'S WITH ALL OF THIS DEFEATISM ?!

we need to consider a means of escape...

If we cannot avoid the purge,

Marie-sensei.

WE'LL PUT OUT AN EVACUATION NOTICE TO THE PUBLIC!

YOU'LL JUST LET THE PURGE HAPPEN?!

but we should be able to cut down the loss of life at least a little.

It'll cause a mass panic,

in order to conceal their involvement, the Army might move ahead with the purge.

What's more,

Hmm...

Unfortunately, we don't currently have the authority to do that.

We will prevent Kyoto's demolition.

After that, we can make up some excuse.

"They couldn't save the lives of the valued citizens."

"We called the *Guild*, and they were unable to handle the desperate repairs."

That's exactly how it is.

The Army wouldn't possibly go that far...

Eh?

Marie-sensei.

You're such a sweet girl.

known as a lost cause.

Unfortunately, in this world of ours, there exists a filthy concept

"It is most regrettable."

"The Guild interfered with our desperate repair work, causing imminent failure."

"A sudden collapse of the city occurred, and we were unable to evacuate them in time."

They would lay the blame for everything on the Guild... That is the Army's goal.

Vainney Halter
Marie's bodyguard.
A former soldier
and mechanized warrior.

!

We just received word from the *Guild* HQ.

撤退命令
Orders to Withdraw

Orders to... withdraw?!

Aye.

KALTER.

GET THE CAR!

ゴォ

オ

YES... INITIALLY SERIES, RYUZU.

Given the situation, we must recover her as soon as possible.

By the way, any news on the YD-01 container?

THE GREATEST AUTOMATA, LEFT BY THE LEGENDARY CLOCKMAKER "Y", THE ONE WHO CREATED THIS CLOCKWORK PLANET.

ALTHOUGH SHE DIDN'T APPEAR TO BE BROKEN, THE MYSTERIOUS MAIDEN WOULDN'T MOVE AT ALL, NO MATTER HOW MANY REPAIRS I PERFORMED.

IF SHE WERE OPERATIONAL, HERE AND NOW,

THEN THIS SITUATION WOULD BE...

ハァ…

When the recovery team went to the site, it was already...

About that... It seems the container fell onto an apartment complex, causing it to collapse.

How is this situation fun...?!

SNAP

Guild HQ Liason, Officer Limons

Even so,

it's a withdrawal order.

CENTRAL HOTEL ONE, ROOM ON THE TOP FLOOR

That is the decision of the Guild HQ.

I'm just the messenger.

What are you saying?

Do you really understand?!

So why do we remain on site, continuing repairs?

Word is that there's practically no chance of successfully repairing the malfunction.

ガチャン

ARE YOU JUST GOING TO THROW AWAY 20 MILLION LIVES?!

I'M SAYING WE CAN'T GIVE UP!

Regard-
less, that's
how it will
turn out.

So then,
should we
turn to the
Guild?

No, there
still wouldn't
be enough
of us.

The purge
is to hide
that fact.

The
cause of
the disaster
this time is
the lack of
competency
of the Army.

There are over
6 million areas
under *Army*
maintenance.

Humanity
consists of 4.5
billion people
spread among
30,000 Core
Towers and
Metro Areas.

In other words, it's a ***mutually beneficial relationship.***

It's "give and take".

Under-stand?

Sometimes we have to take the blame, you know?

The Army and the Guild must both exist. It would be problematic if either one went missing.

However, that is the correct decision.

A scape-goat... or rather, a "regrettable" sacrifice.

are utterly impossible.

After all, the repairs

Is that so?

Then ...

I'm going back and continuing my work.

Fine then. I don't intend to just let people die.

Your authority will be stripped from you,

and you will have no special status in the "Meister Guild".

You'll just be an ordinary person.

Without the approval of the Army, you can't even enter the Core Tower.

You...

The forms have already been prepared.

Yes.

I'll have you know that it's an honor.

You were a dependent of the Vacheron family, were you not?

I just remembered.

Let me be blunt.

Breguet

"VACHERON" STANDS EQUAL TO THE BREGUET HOUSE IN RELATION TO THE FIVE GREAT COMPANIES.

ONE BIG FAMILY, ALL SUPPORTING THE "MEISTER GUILD".

Va Cheron

You're going to let 20 million lives be lost.

Have you lost faith in the power of the Breguet House?

What are you saying? You've completely misunderstood,

Young Lady of House Breguet.

YOU... YOU UTTER MORON!

You...

All of you...!

MARIE-EEEE!!

SFX:GASP

Remaining here will just make you sick.

Let's go.

Don't you get it?

HOUSING 20 MILLION PEOPLE,

ㄱㅣㄴㅏ

THIS CITY,

WILL BE SACRIFICED, JUST SO THEY CAN BLAME IT ON ME!

No.

The purge might have been avoidable.

If I wasn't here,

the *Guild* might put pressure on the *Army*.

The *Guild*, all of them, were just going to leave you.

They were going to perform the purge either way.

Even if you *are* a mechanized soldier!

Don't you understand how much it hurts me?!

That doesn't make me feel any better.

You're right. I don't understand.

But it's not your fault.

Hehe-hehe...

Heh...

Have you calmed down?

カッ!!

!!!

HA HAHA HA!

Not according to what I've seen.

What are you talking about? I'm always calm.

we can obstruct others as much as we like.

Listen up... Just like those asshole politicians,

Come now, you mustn't be like that.

That's all that wretched creatures like us can do!

paf

No worries.

Sorry.

I went too far, even if you're a mechanized soldier.

Following me around like this.

You're an idiot yourself,

Are you prepared to suffer the worst kind of death?

You're asking me that *now*?

I *am* your bodyguard, after all.

Hurry up. Get the car and...
